Honor and glory to God at all times

To be used as a vehicle for God's love to be poured out into the hearts of our athletes through the Holy Spirit

Spiritual, physical, mental growth for our athletes

Health, endurance, perseverance for athletes, coaches, and families

Wisdom for our coaches as they integrate their faith with their coaching

God would grant protection over our athletes as they practice, compete and travel

Specific needs for the season as they arise

We appreciate your prayers!
